PROFESSIONAL SUMMARY

Highly skilled and experienced iOS developer with a strong background in both Swift and Objective-C programming. Proven track record of delivering high-quality mobile applications from concept to launch. Exceptional problem-solving skills and a passion for innovation, with a focus on creating user-friendly, intuitive interfaces.

EXPERIENCE

SENIOR IOS DEVELOPER | 10/2020 – Present

ABB Bank

Azerbaijan

- Working with Agile team and develop product features at Life Banking Squad and Investment Squad
- As part of my responsibilities, I developed and implemented key functionality for a user screen that enabled customers to view current campaigns
- Participate in creating loyalty program core for engage users
- Played a key role in developing a feature that allowed customers to make reservations through the bank's mobile app
- Collaborating closely with cross-functional teams to ensure that the user interface was intuitive and easy to use, while also meeting business requirements and technical specifications.
- Highly functional and user-friendly screen that significantly improved the customer experience

JUNIOR BACKEND DEVELOPER | 01/2019 - 05/2019

Agile Solutions

Azerbaijan

- Working with an agile team to develop, test, and maintain web and desktop-based business applications built on Microsoft technologies.
- Assisting in the collection and documentation of user's requirements, development of user stories, and estimates.
- Package and support deployment of releases.
- Working with teammates in the migration of older applications (asp) to current Microsoft technologies.
